ORTLIEB WATERPROOF

Back-Roller

Office-Bag

For information on IP standards, please refer to the individual product information

Bike-Packer

Ultimate5

Front-Roller

Pannierline produced in special colour green of the following ORTLIEB products: handlebar bag Ultimate5 Plus, rear panniers Back-Roller Plus, Bike-Packer Plus, Front-Roller Plus and briefcase Office-Bag Plus L (all products as our regular Plus series completely out of cordura PS36C).

All components have been analysed in cooperation with the Swiss company „bluesign technologies“, and all resources are continually being improved. This evaluation does not only consider the used raw materials, but also the employed energies and emissions caused during production.

The cooperation between Greenpeace and Ortlieb was established with the aim to manufacture a product which employs in all production stages the best and most useful available or possible technology.

The Greenpeace line is available through all ORTLIEB dealers in Germany and Austria since January 2005. Further, they can be supplied to the following countries: Poland, Hungaria, Romania, Bulgaria, Slovakia, Croatia, Bosnia-Herzegovina.

Prices of the Greenpeace line are identical with the regular ORTLIEB line. The purchase of these products supports Greenpeace activities (via ORTLIEB).
